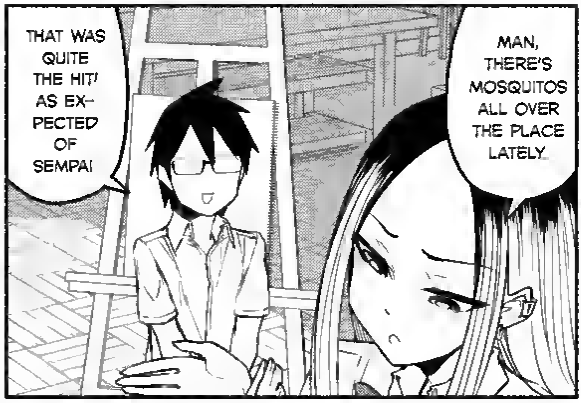
Chapter 17
Megumi Vs. Mosquito!

Summer's most annoying insects don't stand a chance against Megumi-senpai! With the Great Bear of the West around you'll never need Mosquito repellent!

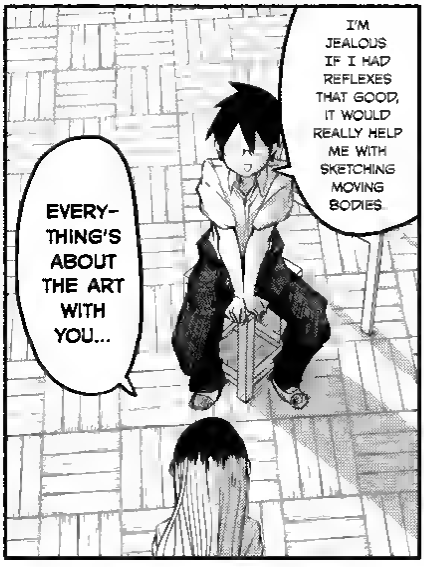
Eda

A talented art geek. Frequently and enthusiastically sketches Megumi, his sempai.



Megumi-sempai

Extremely embarrassed by Eda's sketching, but somehow can't bring herself to resist him.



EVERYTHING'S ABOUT THE ART WITH YOU...
I'M JEALOUS IF I HAD REFLEXES THAT GOOD, IT WOULD REALLY HELP ME WITH SKETCHING MOVING BODIES.
